INSET day

District Sports (**please note change of date**)

Reception Mrs Hart and Mr Jones's Class sharing assembly

Year 6 Patina

Year 4 Miss Mynott's Class sharing assembly (**please note change of date**)

Year 6 Leaver's assembly

Last day of Term 6

This week Year 4 have been to the Linklater Pavilion, they went on nature walks and plotted key points onto maps and really enjoyed the visit. The Linklater project has been set up for children to visit in Years 4, 6 and 8, so these children will have another opportunity to visit.

As part of our Behaviour Policy children can earn Charter stars, these are awarded for behaviour that is 'above and beyond' and could be for some amazing learning they have done, or some great behaviour in the playground or for demonstrating some of the key learning behaviours we are encouraging with children, such as challenging themselves, having a go or fantastic presentation. Each time children get 10 charter stars, they bring a postcard home; when they get 50 charter stars they are awarded a big certificate. Yesterday the first child in the school was awarded a certificate for getting 100 charter stars, very well done to Annabel E in Year 4. I know there are a number of other children who are also very close to their 100 charter stars.

You may be aware that our fire alarm went off at the end of school yesterday, it was not a planned practice so apologies for the disruption at collection time. Thank you to parents/carers who moved to the field area, for future information this is where all the classes, staff and visitors to the school would congregate if there is a practice when you are in the playground area. If you are near the main office area you will leave by the front door with office staff.

Debbie Collis
Headteacher
