

Last Friday was the Wallands World Cup for Years 5 and 6, this was brilliantly organised by Miss Gibney and Mr Burgess. All the children showed great team spirit and cheered one another on. Well done to Iceland who won the competition, and well done to Peru who won the team trophy and to Will S 5KG and Jasmine B 6CS who won individual awards for sporting behaviour.

Last weekend a group from Litter Free Lewes, with help from some parents and children, collected 15 bags of rubbish from around our site. A huge thank you for this and please could I remind everyone to ensure any rubbish is put in bins so we can keep our site rubbish free.

Tomorrow is a staff **INSET** day, and staff and governors will come together to focus on the vision and values for the school. At the Parent Forum on Monday morning we will share what was looked at on the INSET day and involve parents in this important discussion.

9 children represented Wallands in the Sussex School Games Netball Finals yesterday, it was a great achievement for the team to reach these finals. The team played really well on what was a very hot day and ended the day in seventh place, they worked brilliantly as a team, supporting one another and were a real credit to Wallands. A huge thank you to Mr Perry for his hard work in preparing the team and coordinating the event and to parents/carers for their support.

### **Judo**

Jocelyn Kearley and Mia Goode both fought at the Kent International Open 2018 competition at the weekend. This event attracts over 700 players from across the country and Europe and is always highly anticipated and tough competition.

Mia was fighting in the orange/green belt category and had some tricky players to contend with. She fought very well, showing how much her judo has improved since her first Kent tournament last year. She fought her way into the bronze medal match but was unlucky to be caught with a minor score by her opponent. She went home with a very creditable 5th place and will no doubt be looking to improve on it at next year's event.

Jocelyn had a great day in what was her first time at the event. Fighting in the yellow belt category, she was hoping to gain experience and maybe a win. However, she outdid herself, fighting her way into the finals where she fought a familiar adversary. Despite her very determined effort, she didn't manage a win against the eventual gold medallist but took home a very well deserved bronze medal! This is a great achievement for the young player.

Anyone interested in judo should contact Lisa Kearley on 07944851648 or email Lewes Bridgeview Judo Club at [lewesjudo@gmail.com](mailto:lewesjudo@gmail.com)

### **The Reading Agency Summer Reading Challenge**

The theme this year is Mischief Makers, linking in to the 80th anniversary of the Beano Comic. It will begin in libraries on Saturday 14th July and end on Saturday 8th September. This year, you will need to sign your child up to the challenge at [www.eastsussex.gov.uk/src](http://www.eastsussex.gov.uk/src)

If you don't have a smartphone, computer or tablet, you can sign up using a computer in the library. The Challenge is to read six books during the summer that have been borrowed from the library and are appropriate for each child's reading ability.

Children signing up for the Challenge get a character sticker, a map of Beanotown and a reader record. Children will be able to collect a prize for each of the six books they have read. When they finish the Challenge they will get a certificate which they can receive in school or at the library.

You can find out more about the challenge at: [www.eastsussex.gov.uk/src](http://www.eastsussex.gov.uk/src) or by asking in the library. Visit <http://summerreadingchallenge.org.uk/> for fun games, author interviews and book recommendations.
