

*Thank you for all your support so far this term. It has been great to meet with so many grownups and share the children's Learning Journeys on Tapestry and to talk about the children's next steps. We hope you found it a useful meeting too!*

*It has been really helpful to see some of the things that you have been doing with the children at home too – Please please DON'T forget to put some photos and comments onto Tapestry to show us about things you do together. We love sharing them with all the children at Carpet times. It is a great way to encourage more talking amongst the children. We are especially thinking about Birthdays, Christmas and other Celebrations this term.*

## *Christmas is coming!!*
